Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It falters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the falsecry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such States, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to shape its benefits and its duties to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings as well as the burdens of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

COL. HAYWOOD'S SPEECH.

It was one of the largest, most intelligent and respectable audiences ever collected in this City, that assembled at Tucker Hall, on Friday night, to hear the speech of Colonel Ed. Graham Haywood, on the issues of the day. A number of ladies graced the occasion by their presence, and our friends of the Eastern and Western Ward Clubs were there in force,—the former, under the lead of their patriotic President, W. D. Haywood, Esq., marching to the Hall in procession.

We should do Colonel Haywood's great speech injustice, were we to attempt an abstract of it. We have read most of the published speeches made by the distinguished men of the country, since the campaign opened, and it is no extravagance to say that this effort of Colonel H. was fully equal, in all respects, to the best we have seen. For two hours he was listened to with breathless attention, only interrupted, now and then, by the enthusiastic plaudits of his audience.

His main theme, after tracing the delusive promises that were made to the Southern people, when they laid down their arms, and the successive humiliations and oppressions to which they have been subjected, was the CONSTITUTION, its obligations and the necessity of supporting and preserving it. The great subject was discussed in a manner worthy of any man's reputation, and his denunciations of the traitors and perjured conspirators who are undermining and destroying it, were eloquent and withering.

We would be glad if this splendid vindication of the Constitution, and appeal for its maintenance, could be heard in every County in North Carolina.

RADICAL MANNERS.—We learn that when the Congo torch-light procession was passing the residence, on Hillsboro Street, of Ashley, the Superintendent of Public Instruction, so called, "Judge" Tourgee came forward on the piazza to make a speech to the negroes. There were several white females on the porch. In *their* presence, "Judge" Tourgee thus spoke, in substance:

"Fellow-citizens, you have administered to the rebels and copperheads, this day, a bitter dose, a powerful emetic. To be more plain, you have given them a good *pulse!* You have *pulsed* them well, and we intend to *puke* them worse, by November."

We admit the *fact* stated by Tourgee, but what horrible manners!

THE RADICAL SCHEME OF WAR AND TREASON!

We call attention again to the alarming and treasonable character and purposes of the act passed by the Radical Legislature at its late session, entitled "An Act to organize a Militia of North Carolina." This act contains such startling and extraordinary provisions, that we feel called upon to allude to it again, with the hope that the authorities at Washington, the people of the North and South, and especially of this State, will note our warning and take such steps as prudence and wisdom may dictate, to frustrate the warlike and treasonable purposes of a class of desperate men who are bent upon ruling and plundering the country, or bringing on another war, the manifest consequence of which must be the destruction of the Union and free government.

It will be observed that the provisions of this Act are very *general* and *comprehensive*, and all tend to the centralization of power in the hands of the so called Executive of this State. They are so shaped as to give this Executive all the necessary power to exclude from the proposed military service all such persons as might be offensive to him; in other words, *his test of loyalty*, to the party with which he affiliates, is to be applied to every officer and soldier in the proposed service. He is, indeed, the *head* of the proposed army; he is to select the material, to put it together and direct its purposes and movements. The amplest powers and means are conferred to this end.

The Act, when scrutinized, shows, too, a spirit of insincerity and fraud, and a covert purpose to entrap a credulous Legislature. This will be manifest on the examination of the law.

Let us see what are its main features and leading provisions: The title of the act is false, fraudulent and deceptive. It is entitled "*An act to organize a Militia of North Carolina.*" Whereas, in fact and truth, it does not provide in terms for the organization of the militia, but for the organization of a regular army composed of all the arms of the regular military service, and a *police force*, another sort of military organization, which is to be regularly organized, armed and equipped, but which could not, by any means, be denominated *a militia*, or *the* militia of the State. And it will be seen, hereafter, that this *police* organization may be taken from the militia, virtually, as this Governor directs. The title says the purpose of the act is to organize *a* militia, not *the* militia, whereas it provides, in fact, *for two armies*, and no provision is made, in terms, much less in detail, for organizing the militia.

We here insert the official circular from the office of the Adjutant General of the State, for the information of the people:

STATE OF N. C., EXECUTIVE DEPT.,

STATE OF NORTH CAROLINA,
OFFICE SECRETARY OF STATE,
Raleigh, August 20th, 1868.

I, Henry J. Menninger, Secretary of State, hereby certify that the foregoing is a true copy of the original act on file in this office.

(Signed,) HENRY J. MENNINGER,
Secretary of State.

A. W. FISHER,
Adjutant General.

Then this Governor appoints and commissions all the officers. This is unusual and extraordinary in organizing the militia and contrary to the uniform practice in this State. But this is the *leading means* of centralizing the power of the two forces provided for.

This Governor may receive and organize, arm and equip, six regiments of infantry, three battalions of cavalry, and one battery of artillery. The usual number of a regiment is a thousand men, but no number is designated in this act. Under this provision, the Governor may organize ten thousand men, and arm and equip them. These troops are not to be taken from the people promiscuously, but they must be such as this Governor will accept. These troops may come from any State, and this Governor may appoint the officers from any State, and they are to be organized, as nearly as may be, according to the army regulations of the United States. It will thus be seen that this army will be a Radical army, out and out, under the command and direction of this Radical Governor.

Five Justices of the Peace may call upon this Governor to order his Colonel in any County to *detail, organize*, and equip and arm a *detailed* militia force, to keep the peace and enforce the law, not exceeding fifty in a County for each member from such County to the House of Representatives, but this Governor may *increase* the number to be thus *detailed, organized, armed and equipped* as much as he pleases. Now these Justices of the Peace are all Radicals, and all the Colonels are Radicals, and all the officers and all the privates are Radicals, and the whole power of this army is in the hands of this Radical Governor, by and through this means. And the whole treasury of the State is at the command of this Governor, to these ends. This *detailed militia* must be *electors* in this State, and so must its officers, (it may be any number the Governor may fix,) and it must be used *only* for the purpose of *executing* the *laws* and to suppress resistance to the same. The 22nd Sec. of this act provides what shall be the purpose of the detailed militia; but no section defines the purposes of the *volunteer army!* The purpose of this army is left to the discretion of this Governor.

It will thus be seen that the object of this Act, so general and covert in its terms, is not to organize the militia, but to organize a tremendous *Military Radical power*, and that all necessary means to this end are provided!

Now wherefore this strange and extraordinary piece of legislation? What cause has given rise to it, or what necessity is there for it? There is no state of war here; there is no war threatened on the part of the white people of the State; the people never were in a greater state of subordination to law, and they could not be driven into a conflict with the Federal Government. Indeed, if it could be pretended that there was cause for apprehension of resistance to lawful authority, by regular war or irregular conflict, then there is not the slightest necessity for this war measure, for United States troops are stationed in the State, and thousands more could be transported here in a few hours. Then, we repeat, wherefore the necessity for these strange and unheard of military organizations, to be gotten up in such a *peculiar, one sided*, political party way, at such an enormous expense as must be incurred to organize, arm and equip these armies? Can any one conjecture, much less see, a necessity for such armies and expenses?

The leaders of this party are desperate men, innovators, such men as spring up in the wake of all civil wars; these men see that power is about to pass into other hands, and they have made a desperate resolve to prevent this, if possible. Every conceivable means to this end has been used since the close of the late war, and one of the principal means employed was the unlawful and forcible enfranchisement of the negro race in the South. Notwithstanding all these efforts, it is not improbable to them that Seymour and Blair may be elected at the approaching Presidential election. They intend to prevent this, if possible, at the ballot-box; but if they can't do it, then they have resolved to resist their inauguration by *force of arms* and open war upon the Constitution of the country. This purpose has been openly avowed by some of the more indiscreet of the Radicals. The opinion is wide spread at the North that there is such a settled purpose.

This Act of the Legislature, providing for this large military force, is in the interests of this covert Radical movement throughout the land. Its history and aims prove this. At first, the Radical Legislature received the proposition with manifest distaste; it was debated warmly, in caucus and out of caucus, and finally, as was supposed and hoped, it was defeated in the Senate by the adoption of a substitute, which was little more than an affirmation of the law as it existed without this Act; but Mr. John Pool, Mr. Joseph C. Abbott, two members of Congress from this State and the latter a carpet bagger, a few days before the close of the late session of the Legislature, returned from Washington, having conferred fully with the Radicals there, and Mr. Pool prepared the bill which passed the Legislature. After he prepared the bill it was brought before the Radical caucus and there debated. The party lash was furiously applied, and the caucus agreed that the bill should pass. Mr. Pool, in his speech, told the caucus that it must pass, without dotting its *i's* or crossing its *t*. Pool, Abbott, Heaton, and all the carpet baggers, including "Gov." Holden and his son Joseph, manifested unusual anxiety about the passage of the bill; they all lobbied for it in both branches of the Legislature, and especially in the Senate; they used all their personal as well as political influence to induce the degenerate members of the Legislature to pass it. It passed, and this Governor is now proceeding, without any necessity, to carry out its several provisions.

Now what will this scheme accomplish? Under it, this Governor may organize, arm and equip, with such officers as he may choose, from this State and abroad, at least ten thousand men; he is in fact taking steps to this end; many officers are already appointed; he can organize, arm and equip, ready to make war, twenty thousand *detailed Militia*, as they are termed in the Act, and take all these armed, organized troops, in connection with the semi-Military organization among the negroes, called the "Union League," and the Military force may be easily made to reach fifty or sixty thousand men. The negroes are drilled constantly; at the late negro celebration here, the Leagues drilled through the streets regularly; the officers, many of them, had swords, and the privates had bludgeons, that answered the place of a gun. We know that this organization exists all over the State, and that this drilling goes on everywhere in the State among negroes; we know that this astounding Act has been passed by the Legislature, and we know that this Radical Governor is proceeding, deliberately and quietly, to execute its provisions and to organize this military force, and we know that the Radical leaders declare openly, all over this State and throughout the Union, that if Seymour and Blair are elected, they are resolved to make war; it was openly declared by some of the negro orators here that they intend to make war, if Seymour and Blair are elected. The Radical white men all over the State, including this Radical Governor, are preparing the negro mind, and indeed the whole Radical mind, for such a conflict.

We have other information about the conspiracy thus to prepare for war, that we do not now choose to make public, but we intend to do so at the proper time.

Now this army and war movement is in violation of the Constitution and laws of the United States and the Constitution of this State, and we call upon the authorities at Washington to exercise all lawful means to stop these dangerous and treasonable proceedings. We warn all people of this State of the danger of joining any of these Radical organizations; they are for the purposes of war, war upon the Constitution of the Union at that, and after a man has once joined them, it is more difficult to cut loose from them than many suppose. This negro "Union League" organization is part of the plan, and a principal part of it; the Act of the Legislature is intended to organize the white Radicals in such way as to compel them to go into the war when it comes. Let the people heed these admonitions! There are danger and war ahead, and these mad, desperate and treasonable schemes of this Radical party must be suppressed, if the good people would save the country. The revolutionary condition of the country, the billions of public debt, and the unheard of daily expenditures of public treasure by the Radical party, prove, beyond question, that the government cannot last unless some corrective is speedily applied!

ADDRESS FROM HON. THOS. L. CLINGMAN.

This distinguished gentleman is out in a most powerful letter to the people of the State, which occupies six columns of the Asheville *News*. We will publish the half of it to morrow, and the remaining half on Wednesday,—so that the whole shall appear in the Semi-Weekly of that date. The *News* says:

"It is a document that, if carefully read, will do more to inform the people of the present condition and future dangers of our country than anything we have seen for many days. Gen. Clingman's statements of the financial oppression and impositions under which we are now laboring, is taken from Radical official reports, therefore they cannot be denied by them. Let all the people read it, ponder it, and profit by its teaching. It should be made a campaign document, and if we had the means would issue it in pamphlet form, for that purpose."

CAN IT BE SO!—The Fayetteville *Eagle* states, "on reliable authority," that two County Commissioners from Chatham—one of them a Mr. Stedman—recently visited Gov. Holden. They remonstrated with him about appointing negro Justices of the Peace, &c., in Chatham, for it would break down the party in spite of all efforts to the contrary. He replied that he wanted the negroes to learn these duties and have from experience a good knowledge of government. He said the Government WOULD SEND THE NEGROES AWAY AND COLONIZE THEM as soon as reconstruction was put through and all the States on a safe loyal footing!!!

The Columbus "Statesman," in announcing a bet made by a gentleman in that city that Michigan would go Democratic, thinks he is sure to win.

THE INFAMOUS OUTRAGE OF THE STANDARD—WE DEMAND THE NAME OF THE INFAMOUS AUTHOR.

The base infidelity and lying of the *Standard* are outraging public sentiment. Our people have borne in silence, its mean, puerile assaults upon our best male citizens.—But the true men of this City and of this State will not overlook the vile slander and abuse attempted to be cast upon our noble women, whose excellencies, virtue and purity are almost all that have been left our down-trodden people by the ruthless hand of Radicalism. They are our jewels, more precious than gold or diamonds, more valuable than the priceless wealth of earth.—Without them—without their unapproachable purity and virtue, their inflexible devotion to truth and honor, life, to every true man, would often, in these times, be a burden too intolerable to be borne. Can we, therefore, can any man, who has a virtuous, honorable emotion, submit for a moment to the vile abuse of our lovely women, by such miserable scoundrels?

We have had, before, inklings of the private slanders of our Southern women by certain shameless, filthy, lecherous carpet-baggers and scallawags. Knowing them to be as false and as destitute of honor, as the vilest of the vile, we have not noticed them. We have heard of Dowerse's cowardly, mean, secret attacks on our ladies, in his private conversations. We have heard of the filthy orgies and of the demoralization which certain vagabond stragglers and scallawags are promoting among the baser colored and white women of the country, and we have borne it in silence, not willing to pollute our columns with details of their wickedness. But their names are known and on record, and will be forth-coming, when needed. But the infamous attacks of the *Standard* upon the ladies of North Carolina, on Saturday, must be exposed. In its desperation and alarm at the tokens of defeat, in its leading editorial on "Work," the following base extract will be found. Read it, ye true men of North Carolina! It calls upon the carpet-baggers and scallawags to work, and says:

"But wherever else you work don't forget to work among the women. The Confederacy wouldn't have lasted a year if it hadn't been for them. One good rebel woman is worth a dozen rebel men. Go after the women then. They will make their husbands and their lovers shout for Grant and Colfax until they are hoarse, if you will manage to replace some of the diamond rings and laces Frank Blair stole from them when he was here. And don't hesitate to throw your arms around their necks now and then, *when their husbands are not around, and give them a good ——!* They *will like it*, and the Yankeer you are the better it takes. Our experience with female rebs is, that with all their sins they have a vast amount of human nature, and only want to have it appreciated to be the most loving creatures imaginable. Scalawags and carpet baggers! don't fail, therefore, as you canvass the State to look after the women. You are all good looking and they know it, but with native modesty, like sweet New England girls, they like to be approached first. Don't be afraid of their eyes—they glare like young leopards by day light, *but under the moon no blue death stricken fawn's is half so tender or half so deep.* Don't read Judge Pearson's letter to them, but give them Byron and Shelly in volumes, *and you will have them in your arms*, if not in your party, in less than a week."

In the name of the good people of North Carolina, we demand the author of this libellous, cowardly article. We call upon every man of common decency, whose mother, whose wife, whose daughters, whose sisters, are pure, virtuous women, to discontinue at once the *Standard*. No lady, after this, will allow that sheet to come into her house. Every true woman in the State should resent it, by insisting that, after to-day, the *Standard* shall not come into her dwelling.

We have been asked, who is responsible for the article. Why, every proprietor, every editor, of the paper is responsible.—If we lived in a land of law, every proprietor and editor of that paper is liable for indictment, as a nuisance, and a common defamer of the fair sex. How can any honest, true North Carolina printer, or clerk, or employee, in the *Standard* office, remain there a day after such a publication? Come out from the miserable cess pool, if you would be respected by any decent man in the community.

We beg every North Carolinian to read this libel, mark it, and put his foot down, never to support a party which employs such a miserable scavenger as the *Standard*, as its organ.

ORGANIZING THE WAR FORCE.—Holden announces the following appointments:

I. To be Assistant Adjutant General with rank of Colonel—J. C. Mann, of New Hanover County.

II. To be Assistant Quartermaster and Inspector General, with rank of Colonel—D. J. Rich, of Pitt County.

Two more carpet-baggers! This standing army, fellow citizens of NORTH CAROLINA, is officered, by the "Governor," mainly with adventurers from New York, Vermont, Illinois and Massachusetts!

From the Columbus (Ga.) Enquirer.

THE SENATE TOO!

A report of the proceedings of the Senate of Georgia on Saturday, and its vote declaring the negro members ineligible, will be found in this paper.

No one will venture to say that the Senate is Democratic, or that its Democratic members could pass anything without Radical help. Parties in that body, since the expulsion of Bradley, have been divided thus: Radicals 25, Democrats 19. This Radical majority in the Senate confirmed all of Bullock's objectionable nominations, overcame the balance in the House in the election of officers by joint ballot, and did all that it was called upon to do towards putting the State entirely under the rule of Radical carpet baggers and scallawags.—Yet a Senate thus constituted declares the negroes ineligible, by a vote of 24 to 11.—Not one half of the Radical Senators voted in favor of their eligibility. A considerable number of them voted the negro ineligible, and others failed to vote at all.

The New York *Times* and other Northern Radical papers will find in this vote further evidence that the exclusion of the negroes is not a Democratic movement.—It is *the law*, made by Radicals, that fails to give them the right to hold office, and Radicals have been compelled to unite with Democrats in so declaring.

What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug large enough to be seen even with one eye shut? So let them talk, puff and blow, but sayz, LOOK OUT! HANDS OFF! and show your good judgment by

THE FLAG PRESENTATION!

ENTHUSIASTIC DEMONSTRATION!!

The hour at which this morning's paper is made up, (Saturday night,) necessarily precludes that notice of the enthusiastic and cheering proceedings, on Saturday afternoon, which we design making.

At the time designated, Tucker Hall was crowded, in every part, by an immense audience,—at least three hundred fair ladies being present. Excluded by the malevolence and meanness of the "Governor" and his Radical and carpet-bag co-officials, from entering the grounds of the Capitol, for the purpose of presenting to their friends the FLAG OF THE UNION, (when FREE LICENSE had been given the horde of filthy negroes to DEBAUCH, EAT AND SLEEP IN THE BUILDING ITSELF, a few days before,) the ladies came out, in full and charming force, to manifest their contempt for the slur cast upon them, and their sympathy with the true men of the State in this great struggle.

The Flag was presented, on behalf of the ladies, by Mr. F. H. Busbee. Mr. B. had but few hours for preparation, but, at the solicitation of the ladies, he gallantly came forward and discharged the duties assigned him in an eloquent and beautiful address, which is the theme of general praise.

The Flag was received, on the part of the Clubs, by Seaton Gales, Esq. After which, eloquent and stirring addresses were made by Hon. D. G. Fowle and C. M. Busbee, Esq.

But we will attempt full particulars and full justice to all concerned, to morrow.

MEETING AT FRANKLIN'S.—We are requested to state that the meeting of the Democrats and Conservatives of Swift Creek District, announced to take place on Saturday next, the 26th inst., has been postponed until the following Saturday, Oct. 3rd. Maj. G. H. Wilder and other prominent gentlemen will address the people.

OLD EDGECOMBE.—There are now twelve Democratic Clubs in this county thoroughly organized, enthusiastic and working together with a hearty good will for the success of our ticket in November next.

GOOD NEWS FROM THE WEST.—A correspondent, writing us from Asheville, says: "The work goes bravely on. The Leaguers are fizzing out everywhere. Jno. Phool is not doing us any damage in the West. Buncombe will roll up a majority for Seymour and Blair."

COL. W. J. GREEN.—We are pleased to see this gallant gentleman, our candidate for Elector, in the city. He speaks in Johnston to day, and will enter actively and efficiently upon the canvass.

THE RADICAL ELECTORAL TICKET.

We find the following announced as the Radical Electoral ticket:

FOR THE STATE AT LARGE.

BYRON LAFLIN, of Pitt.
JOSEPH W. HOLDEN, of Wake.

1st Dist.—HIRAM E. STILLEY, of Beaufort.
2nd " CURTIS H. BROGDEN, of Wayne.
4th " JNO. A. MCDONALD, of Chatham.
5th " H. A. BADHAM, of Alamance.
6th " RUFUS BARRINGER, Mecklenburg.
7th " W. S. PEARSON, Esq., of Burke.

This is what we call weakness diluted.—Skimmed milk is nowhere!

THE STANDARD GLORIES IN ITS LYING.

The Yankee-Radical sheet, published on Hargett street, in this city, is liable to indictment as a common liar. Its stock in trade, for years, has been falsehood, villification and abuse, but its recent Yankee and other connections have rendered it incapable of telling the truth, when a lie will avail.

Its account of the numbers, &c., at the Mass Meeting, startled every decent man in the community. We copy its flaming lying sensationals:

"Let us have Peace!
Glorious Republican Jubilee!
Old North Carolina Moving!
Rebels fleeing to the Mountains and the Swamps!
The people coming to the Front!
The greatest meeting ever held in the city!
50,000 in Raleigh.
30,000 in Procession.
25,000 fed at the Barbecue.
Grand Illumination.
Torch Light Procession Five Miles long, &c."

The day after the above flourish, we presume, of some its friends called and remonstrated with the editors about their extravagance and falsehood. The next day the *Standard* admitted that it might have been a little extravagant in its estimate, but a "Yankee could not be beaten—even at lying!" We presume Gen. Littlefield was absent, or even that correction would not have been made; as he stated to a gentleman, a short time ago, who spoke to him of the falsehood of a certain article in that paper, that he (Gen. Littlefield) did not write the article, but, if he had, and had told a lie, he should stick to it! Thus it is that the falsehoods, impurities, baseness and infidelity of the *Standard* are gloried in.

On the evening of the Mass Meeting, the same parties, who wrote the above sensational headings, telegraphed to the New York *Tribune* the following telegram:

NORTH CAROLINA.

IMMENSE DEMONSTRATION IN RALEIGH—20,000 REPUBLICANS AT THE BARBECUE—SEVEN MILES OF TORCHES—NORTH CAROLINA SURE FOR GRANT AND COLFAX.

RALEIGH, Sept. 15.—The mass meeting of Republicans in this city, to-day, was really immense. At least 20,000 people were on the grounds which had been set apart for the speaking, and 20,000 staunch Republicans were fed at the grand barbecue. In the evening the city was illumined by a splendid torchlight procession seven miles long. Perfect order having characterized the illuminating column, as well as the vast multitude which had gathered at the tribunes, of course no arrests were made. As an earnest of the spirit with which the Union men of North Carolina are entering into this second and final battle against the Rebellion, I may mention the fact that one delegation of 400 men, led by Mr. J. C. Chilson, walked from the South Carolina border, a distance of 150 miles. Every Congressional District in the State was represented. Thrilling speeches were delivered by Messrs. Holden, Hawley, Abbott, Robt. M. Douglas, the son of the Little Giant, Gen. Coleman, Joe W. Holden, and 20 other prominent men. The hills look as if Sherman's army had encamped around the city. The Capitol is illuminated, and all the Republican stores and dwellings are in a blaze of light. Influential citizens from all parts of the State say that North Carolina is good for 30,000 for Grant and Colfax, and that a Republican majority may safely be predicted in every Congressional District.—Conservatives and Rebels are giving up the contest, and gradually coming in to the support of the Republican ticket. The *Standard* office was cheered to the echo as the procession passed.

Now we say, and we can prove it, that the *Tribune* newspaper was never more completely sold, than it was in the above telegram. There is scarcely a truthful statement of any importance in the above telegram. Instead of 50,000 or 30,000 people in this City, we do not believe there were, at any time, more than 5,000 persons, who lived outside of its precincts, not over 100 of whom were whites. At no time were there over 5,000 persons gathered to hear the speeches. At the barbecue not more than 3,000 or 4,000 persons were fed. Quite a number complained that they could get nothing. The torch-light procession, instead of being five or seven miles long, did not extend more than two thirds the length of Fayetteville Street, which is not more than half a mile long, and, at any time, instead of there being 30,000 in procession, there were not 3,000 negroes, and but *two white men*, walking. The hills around Raleigh were all *darkness—not a camp fire visible.* That Conservatives are giving up the contest is false. Our people are becoming more confident of carrying the State for Seymour and Blair. The chances are better now, by more than 25,000 votes, than in April last. And the proof is, that thousands, who voted for the Constitution to "get in," will vote for Seymour and Blair. Of the 18, or 20,000 disfranchised men, 15,000 will vote for Seymour and Blair, and of the 29,000, who failed to vote in the last election, two thirds of them, at least, if they vote, will vote for Seymour and Blair. Let the people beware of the falsehoods of the *Standard*, and of the Radicals. Believe nothing that you hear from such sources. They are growing desperate, friends! They are alarmed at the prospect of defeat.—DRIVE THEM TO THE WALL.

No reader of the North Carolina papers can fail to be struck with the changed condition of affairs which they unanimously report since the installation of the Radical State Government. The journals from all sections of the State come to us, with every column containing accounts of sickening outrages by the negroes. There seems to be no authority exercised over them, and the whites only avoid collision by patient endurance of the evils designedly thrust upon them. We commend this wise forbearance, and advise its steady pursuance. What the Radicals most desire is a list of disturbances with which to fire the Northern mind, and the blacks are instructed to this end by their Radical leaders. No matter how provoking the circumstances, or how unjustifiable the attacks, let no white man resent or resist except where absolutely necessary. We cannot afford just now to throw trumps into the hands of Grant and Colfax.—*Pt. Index.*

John Pool in the West—His Contemptible Dodging—Bribery, Coercion, &c.

FRANKLIN, N. C., Sept. 14, 1868.

This District will be most thoroughly canvassed. No part of the State is more active than this. In April we carried the 43rd District by (say) 500 majority. We will, this Fall, send you 1,000 "clear of stumps and runners." You may mark this *as nearly sure.* I will not be surprised if we exceed this.

Pool is here. Judge Osborne also. Both came in last evening. Pool from Murphy—Osborne from the East. They are now (9 A. M.) in consultation about a "division of time." I find Pool, like *all* other leading Rads, a *real dog*, in flying from discussion.

The interview is over, and Pool *refused* to divide time. Just as I expected. The Radicals are the most sneaking, low-down, quirkey set I have ever had anything to do with. Their every act is that of a would-be tyrant.

As Pool came on, Col. Cocke, at Asheville, sought a division of time, as it was done in 1838 '60. This, he *declined*, but would give us the intervening hours. He must open and close, each day. No other terms could be had.

Here, on the 5th inst., we offered (at our own barbecue) the same terms, provided he would divide in like manner elsewhere.—Pool refused this also.

At Hayesville, on the 8th., Pool spoke *three and a quarter hours.* Bob Henry then took the floor. Dr. Love asked permission to announce speaking for the next day.—Granted. He made the announcement, and stated that he regretted to have to ask the people to lose another day; that one day was enough, but our "friends" had refused to divide time. Pool tried to deny this. Mr. Love then stated, if there was any mistake about the past, there could be none as to the present, and proceeded to challenge Pool, in plain expressive terms, to discuss the issues as was done in 1860, alternating, as then. There was no response. Then, said Dr. L., "I charge, in the face of this large audience, that Mr. Pool is here, advocating principles which he cannot defend in open discussion." This brought forth thundering applause, and huzzas for Love. Pool was mum. Bob Henry got up to speak and the crowd dispersed.

On the 9th., Col. Davidson, Col. Cocke, Col. Keener, and Dr. Love spoke to a good crowd. On the 10th., Dr. Love followed Pool to Murphy. P's. appointment was a clear failure—81 men, 2 women. This was the number. Total 83.

On the 11th., Dr. Love spoke at Valley Town, to a good crowd. Pool was to speak at the same place on the 12th. No one went out—no speech—a nice day—a dead failure. Pool has not affected us in the least, thus far. He stopped here over three days, as he went. Not one of our citizens called on him. He did not cross the street. He looks mean.

At Clay, Cannon and Rev. John Ammons off, red a good citizen, an office, worth $2500, per year, if he would publicly declare for Grant and Colfax. This will not be denied. X.

RADICAL LAWLESSNESS.—The New Hanover and Craven negro delegates to the late Congo meeting, headed by two or three so-called white men, attempted to create a riot as they passed through Goldsboro.—But for the forebearance of the citizens, blood would have been spilt. The *Rough Notes* says very properly:

"We warn all carpet baggers and scallawags who encourage such negro riots, and who are the leaders of "negro leagues," to beware. THEY ARE RESPONSIBLE for all such riots that may occur, and they will be held accountable for the blood that may be spilt during any disturbances in this town. "Forbearance on the part of our citizens ceases to be a virtue."

RADICAL BRIBING AND COERCING.

The last so-called Legislature passed an act "to punish Bribery and Coercion in Elections," from which we make the following extracts:

SEC. 3. It shall be unlawful for any person to give a pecuniary or other consideration whatever to any voter of this State because of the vote which such voter may cast or may have cast in any election.

SEC. 4. That it shall be unlawful for any person to discharge from employment, withdraw patronage from, or otherwise injure, *threaten or attempt to intimidate* any voter of this State, &c.

And yet in face of their own law, we find one of the high functionaries of the Radical party, attempting to bribe a voter, by promising him an office, on the Railroad with salary of $2,500, if he will join the Radical party, while another, with Senatorial honors, promises a voter, the office of Col. of Holden's melish, if he will vote for Grant and Polecats.

We learn that one of the following gentlemen, after joining a Democratic Club, was threatened with six months imprisonment, if he left the League. Upon that threat we are requested to announce the following as having left the law-breaking concern, and who will vote for Seymour and Blair:

Pinckney Jones, Leroy Pressly, Lytle Merrill, of Henderson.

Now, is not this a beautiful party, to be passing laws against bribery and coercion? No sooner do they pass the law than they start out their Judges and Senators to break and defy it. But the worst of it is, they are using the Railroad appropriation, for which the people are to be taxed, to effect their bribery. If that is the way they intend to disburse the Railroad money, how long will it be before the road beyond Asheville will be built? Let every voter pause and figure it up.—*Asheville News.*

BRUTAL MURDER OF A WHITE MAN BY A NEGRO IN MARTIN COUNTY.

We learn by a private letter received in this city that Mr. James W. Leggett, a brother of Capt. Jno. E. Leggett, one of the accomodating Conductors on the Wilmington and Weldon Railroad, died at Jamesville, Martin county, on the 4th inst., of wounds received at the hands of a negro at that place on the 29th ultimo. The negro, it appears, was drinking at the time, and his anger being excited against another man, came into the store where Mr. Leggett was, and without the least provocation or a moment's warning, rushed upon him, and drew a knife, stabbed him three times—once in the neck and twice through the breast. The wounds proved fatal, notwithstanding every care and attention was bestowed. The negro, whose name is not given, was arrested and is now confined in jail. He will be prosecuted and tried at the term of the Superior Court which meets for Martin county on the first Monday in October. So brutal and unprovoked a deed should meet with its merited punishment. *Wil. Journal.*

Our Afternoon Dispatches.

FROM WASHINGTON.

WASHINGTON, Sept. 19, M.

Little hope of a quorum on Monday now, but it is understood that the officials of either House regard that they have the power to take a recess and prolong the Congressional day indefinitely. On this theory, Monday's session may cover a week or two. There seems no doubt of an ultimate quorum, when, as agreed by the conference at which Wade, Colfax, Schenck and others were present, Congress will adjourn to the 15th. of October.

MARKETS.

NEW YORK, Sept. 19, M.

Sterling 9. Money easy at 3@5. Gold 1,44¼.—North Carolinas 74; new 73¾. Virginias, ex-coupons, 53½; new 53¾.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Sept. 19, P. M.

Ex-President Pierce is convalescent.

Judge Chase is at Concord.

Schenck and Commissioner Rollins had a prolonged interview, to-day. It is understood that Schenck approves of Rollins' partizan nominations for Supervisorships.

Kilpatrick, Minister to Chili, is here.

Schenck has telegraphed all members of Congress, urging their attendance on Monday.

Alex. H. Stephens visited the President, Schofield, Wells and Randall, to-day, remaining an hour with the President. The interview was private. Mr. Stephens appears to be in good health.

Turkish agents are here, looking up homes in Virginia, Maryland and Delaware for Armenian families shortly expected.

J. W. Hoklen, son of the "Governor" of North Carolina, in a dispatch to the Congressional Republican Committee, *denies* that he invoked "the God of Turpentine," in a recent speech to a Radical meeting in North Carolina.

Mr. Stephens' mission here is to obtain access to Confederate archives, held by the Government, to aid him in the history of the war, which he is writing. His success is probable.

FROM NEW ORLEANS.

NEW ORLEANS, Sept. 19, P. M.

The Senate, on yesterday, passed finally the *negro equality bill*, which prohibits distinctions at any place of public resort or public conveyance, under penalty of fine and imprisonment.

At the instance of prominent Democrats, Gov. Warmoth has appointed Geo. A. Fostick, Vice President of the New Orleans Chamber of Commerce, a member of the Board of Registration,—the other members being Republicans; it being the general understanding that the same rule will be carried out in the appointment of local boards.

At a meeting of the State Board, on the 17th. instant, a majority of the Board decided that they would not, under any circumstances whatever, permit a Democrat to practice on any Board of Supervisors. Mr. Fostick presented a protest against this action, but the Chairman and one member, constituting a majority, refused to recede from their position. Governor Warmoth states that he does not approve of the action of the Registration Board, but has no control over them.

FROM ALABAMA.

MONTGOMERY, Sept. 19, P. M.

The Legislature did nothing to-day. The time of the Senate was consumed with political harangues.

FROM COLORADO.

DENVER, Sept. 19, P. M.

The *Tribune* makes Bradford's majority for Congress 662, with two precincts to hear from.

Look Out for the Rogue!

A MULATTO passing "WHITE PLAINS," on Tuesday, the 15th., caught and rode off a Horse belonging to my wife.

The Horse is a LIGHT CHESTNUT SORREL, with flax mane and tail—the tail long and heavy, but recently cut at the tip; he has a small star in his forehead, a white spot on his left hind foot, a scar on his left fore knee and a white spot under the mane on his right withers. He is a trotter and when travelling droops his head.

A liberal reward will be given for any information that will lead to the recovery of the horse or the apprehension of the thief.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL October 7th; the LAW, October 14th; and the MEDICAL October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter. Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law School four, and the Medical, ten. The expenses are as low as at other Colleges. Number of students the past year, 434. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 25 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage. (fifteen cents.) As soon as I can make arrangements I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the office-holder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragemment to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alls ged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre-emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

A GOOD MAN Leaveth an INHERITANCE — UNIVERSAL LIFE INSURANCE COMPANY — 1867

No extra charge for Females. No charge for Medical Examination, Policies or stamps.

NEW YORK.

THE

UNIVERSAL

LIFE INSURANCE COMPANY,

NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the STOCK system of Life Insurance, as opposed to the MUTUAL, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, and CERTAIN; in lieu of a high rate of premium for a promised dividend which is DISTANT, CONTINGENT, and UNCERTAIN: this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; the amount will immediately secure him in the "Universal" the sum of $11,751, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,471.

The difference between these sums ($3,277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office to the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *live long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the importance to the policy-holder of low premiums in more general terms it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy *thirty-three and one-third* per cent *greater*, and likewise that a reduction of twenty-five per cent. in the rate of premium is precisely equivalent to an *annual cash dividend of thirty three and one-third per cent., payable in advance*, or to a dividend of *forty-five per cent*, payable at the end of five years.

By the Stock plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taxing *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is *not* secured to the policy-holder, who takes a portion of the risk himself.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full assured* without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid* in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.
